

## CHAPTER 43

### POLITICAL SCIENCE

#### Doctoral Theses

363. SRIVASTAVA (Anshu)  
**Globalization and Feminization of Labour : A Case Study of Selected Export Processing Zones (EPZs) in India.**  
Supervisor : Dr. Nivedita Menon  
Th 15828

#### *Abstract*

Concludes that there must be continued pressure on the state from trade unions, the labour movement in general and from democratic rights groups, not to succumb to the demands of corporate globalization. Continuous democratic pressure on the state offers the only hope of transformations in the current policy.

#### *Contents*

1. Debates on globalization and economic restructuring. 2. Development planning, liberalisation and the indian state. 3. Thesis on feminization of labour with special reference to two exports processing zones. 4. Women workers of Noida export processing zone : intersection of gender & class. 5. Trade union activity in Noida export processing zone : Potential and limitations. 6. Conclusion. 7. Bibliography.
