

## CHAPTER 44

### PHILOSOPHY

#### Doctoral Theses

509. TRAN PHUOC PHUONG THAO  
**Nietzsche's Theory of 'Not-Self' and Anattavada in Early Buddhism.**  
Supervisor : Prof. Hari Shankar Prasad  
Th 16879

#### *Abstract*

Attempts to state the Nietzsche is really influenced by early Buddhism. Attempts to answer what are the similarities and the differences between Nietzsche's theory of not-self and the concept of not-self in Early Buddhism. The main question is : How does Nietzsche's theory of the will to power come close to this important teaching of Early Buddhism.
