Abstract

Describes how Arabic may have become popular in Kerala. Says that Arabic traders were coming to India for thousand of years for trade of Indian products with European Countries. Kerala was the entry point to India through African Sea. People of Kerala were the first to come in contact with Arabic traders and adpted their culture and languages. Dr. Hohiaddin Alwai who was born in Kerala had studied in India and Egypt. He constributed to Arabic literature through his writings in Arabic newspapers and magzines internatonaly. His work have been critically examined.
