

## CHAPTER 66

### THESES OF THE PREVIOUS YEAR

A List of Theses which could not be included in the  
previous compilation Doctoral Research Vol 11, 2010

#### Doctoral Theses

#### ANTHROPOLOGY

660. PATTANNAYAK (Ipsa)  
**Study of Genetic Diversity Among the Gonds of Uttara  
Kannada District, Karnataka.**  
Supervisor : Dr. Gautam K. Kshatriya  
Th 16561

##### *Contents*

1. Introduction. 2. Area and people. 3. Material and methods. 4. Results. 5. Discussion. 6. Summay and Conclusions. Bibliography and Appendix.

#### BOTANY

661. KEDIA (Vivek Kumar)  
**Investigations on Screening and Characterization of an  
Antibacterial Compound, a Phytohormone (IAA) and Extra  
Cellular Protease of Thermoactinomyces Vulgaris Tsiklinsky.**  
Supervisor : Prof. Ved Pal Singh  
Th 16562

##### *Contents*

1. Screening, Optimization and characterization of antibacterial compound. Screening, optimization and characterization of indole-3-acetic acid (IAA). 3. Screening for extracellular hydrolases, with special reference to optimization and characterization of protease. Bibliography.
