LIBRARY AND INFORMATION SCIENCE

Doctoral Theses

358. SINHA (Abhijeet)
Collaborative Approach Towards E-Resources from Acquisition to Use : A Study of Selected Library Consortia.
Supervisor : Prof. Shashi Prabha Singh
Th 18926

Abstract

Attempts to understand and explore the dynamics of consortia formation and further evaluate the services provided through it. Assesses the activities of selected library consortia and to evaluate how libraries and users are being benefited from it. The study covers specific aspect of acquisition and use of e-resources among 15 libraries and their users under the three consortia.

Contents

1. Introduction. 2. Review of related literature. 3. Research methodology 4. Library consortium : An overview 5. E-Resources : Collaborative acquisition and use 6. Profile of selected library consortium 7. Data collection and analysis. 8. Findings, conclusions and suggestions. Appendices. Bibliography.
