*Abstract
(Not Verified)*

The title of the thesis for the award of degree of Doctor of philosophy is: Contribution of Wafa Abdul Razzaq to Arabic Novels (A Critical and Analytical Study of her selected novels) Iraq has been for the long time and is the centre of Arabic culture and the adobe of great writers, Poets and intellectuals. it has given birth to many prominent of literature, poetry, journalism and Islamic culture. these prominent figures have valuable contribution in their various fields, the Iraqi women also did not fail to contribute in literary world. many female poets and writers enjoyed their names and fame in the field of science literature and aknowledge and they gained their reputation. Wafa Abdul Razzaq is among these literary writers and poets and one of the towering personalities known for their outstanding contribution in the field of story writing, novels, poetry. She emerged as a writer of realism who portrayed the tragdies and suffrings experienced by Iraqi people. she despite being an expatriate in London. did not forget her homeland. she portrayed, in her prose and poetry forms all type of oppression and tyranny the Iraqi people are suffering from. Her literary works received well acceptance and popularity in the world and were translated into sevral languages of the world including English, Persian, and others. I have divided the thesis into four chapters, containing three sub chapters each. 1 in this chapter i have discussed about her early life and contemporary personalities. 2 this chapter has study of short story in Arabic. 3 this chapter has a critical study of her selected novels. 4 this chapter is an evaluation of her selected novels. conclusion: it gives a comprehensive view of her works. At the end there is an index and comprehensive bibliography.
